GROSS-O

Grab your barf bag, toon-heads – it's time for Ed, Edd n Eddy's guide to the grossest things on the planet!

Grossest Grub

Erm, I eat a lot of weird stuff... like bogeys! In Asia some people chow down on rats and even monkey toes; in some parts of America they still eat squirrel brains but the grossest food of all has got to be mushy peas – barf!

FOUL FACT!

The average person farts 14 times a day

Ickiest Insects

Spiders may look scary but blood-sucking bugs are much more gross! The worst one of all is the human botfly. This freak burrows into your skin to lay its eggs... then lets its babies burst out of your body. Yuck!

FOUL FACT!

Right-handed people sweat more under their left arm!

Sickest Sport

If you think games can't be gross, you're totally wrong! In Kyrgyzstan they play a game called Ulak-tartys, basically polo played with a headless goat! If that's a bit too rough for you, why not try a splatter of cow-pat throwing – the national sport of Wisconsin, USA. Disgusting!

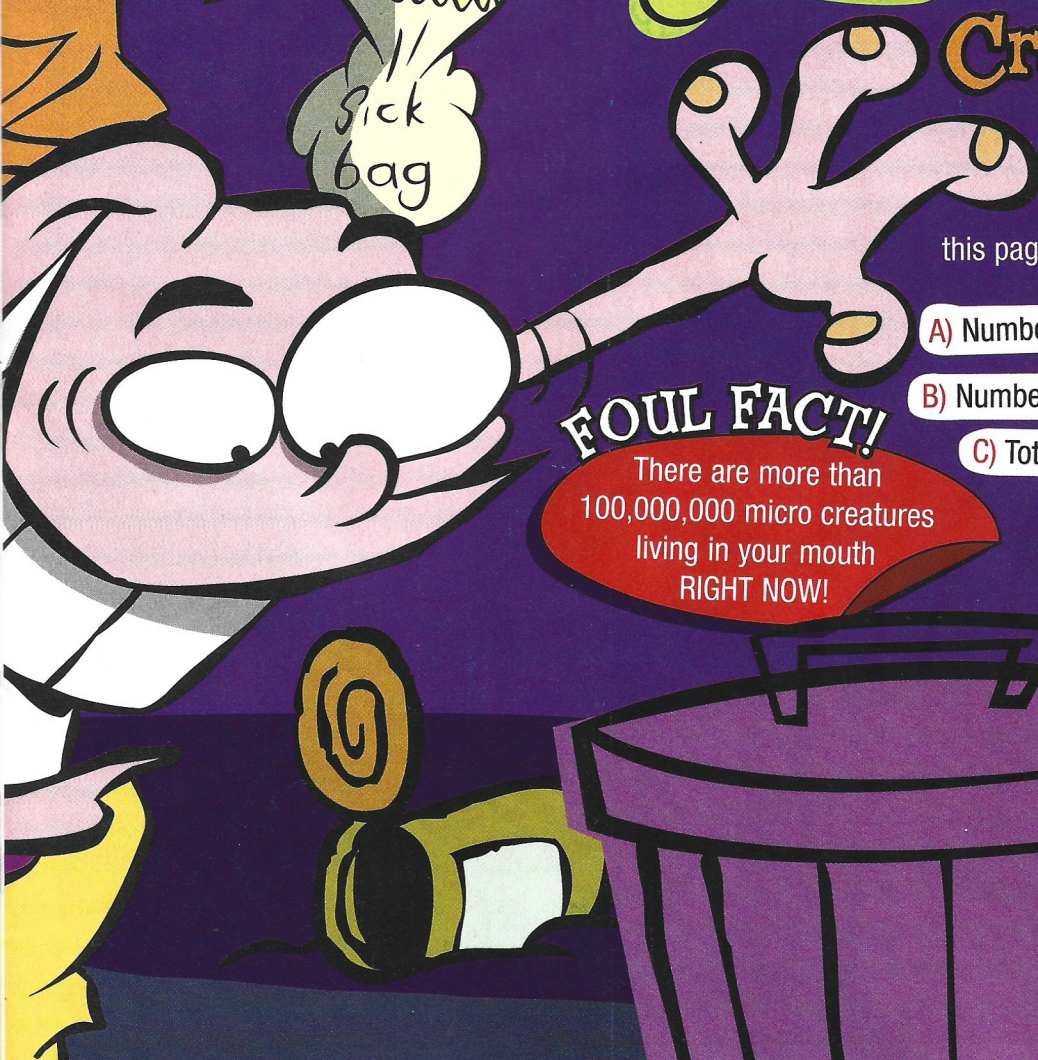

Creepy Count-up

Uh, oh, looks like Double D's gone and dropped his bag of bugs! Can you help count up all the bugs on this page and answer the questions below?

- A) Number of spiders minus the number of worms
- B) Number of red bugs times the number of slugs
- C) Total number of bugs with legs

FOUL FACT!

There are more than 100,000,000 micro creatures living in your mouth RIGHT NOW!
